

A Pet's Circle of Life

## Aftercare Arrangements

I would like to have my pet's remains cared for by the following:

---

**No aftercare** – I will arrange for the aftercare of my pet's remains myself and would like A PET'S CIRCLE OF LIFE to leave my pet on my premises. I am aware of the laws and regulations regarding the burial of my pet's remains.

**Communal Cremation** – A PET'S CIRCLE OF LIFE will transport my pet's remains for cremation and remains **will not** be returned to me and will be spread at sea.

**Private Cremation** - A PET'S CIRCLE OF LIFE will transport my pet's remains to be cremated **separately** (partitioned) and remains **will be** returned to me. One custom paw print is included with private cremation. Remains take approximately 1-2 weeks to be returned.

I would like a **custom Clay Paw Print** (*included with Private Cremation – Communal Cremation* **or** *additional paw prints are \$45 each*).

**Additional Clay Paw Prints (\$45 each):**
